## DISCIPLINARY CODE 2018-19

Leyland and Chorley Hockey Club need to re-establish a good disciplinary record over a long period to get back to our high standards that we come to expect.

Despite ever-increasing pressures in hockey, the Club is committed to improving this record.

The disciplinary code provides formal action to be taken for a failure to meet the standards expected in respect to the Leyland and Chorley Hockey Club Code of Conduct. This applies both during matches and at all other times when representing the Club, or being seen to represent the Club – this includes in social situations.

The award of a red card or three yellow cards (two for dissent) in a season will require a player to appear before the Disciplinary Committee, which comprises The Club Secretary and the head of Men's and head of Women's, or their nominated substitutes.

The Disciplinary Committee meeting will be convened within 7 days of the red card or final yellow being awarded. In the case of a red card, the procedures and sanctions laid down by the England Hockey, and approved by North West Hockey, will apply.

Captains are reminded that they are responsible for the behaviour of all their team players. Captains are required to record the awarding of cards and the details of the offence committed. These details will be reported to the head of section, who will forward the information to the Disciplinary Committee as required.

The procedures of the Disciplinary Committee are:

1. The member concerned will be advised of the matters or allegations in writing prior to the meeting.
2. If a member is asked to appear they may bring along another member to speak on their behalf or as an observer or to put any facts before the Disciplinary Committee.
3. Both the member and the disciplinary committee may call witnesses as appropriate to attend the disciplinary hearing; any witnesses called may be cross-examined by either party.
4. The hearing will be adjourned to enable a decision to be reached; this will include consideration of the players' previous disciplinary record. On the same date, wherever possible, the member will be informed verbally of the decision and reasons given on how the decision has been reached. If any disciplinary action is to be taken, the player will be informed in writing within 5 days of the hearing. This will include details of the members' right to appeal which will be heard by three remaining members of the committee.
